

Information about data protection and data processing by

Knoll Industrie-Beteiligungen GmbH & Co. KG Knoll Hydraulik GmbH & Co. KG Eurofluid Hydraulik GmbH

I. General information and controller

The following information serves to fulfill the obligation to provide information to data subjects when collecting personal data pursuant to Art. 13 of the General Data Protection Regulation (GDPR).

It applies to the processing of personal data, especially any taking place on the basis of a contractual relationship that is concluded, such as a purchase agreement or service agreement. Personal data is considered to be all information that relates to an identified or identifiable natural person, such as a name, address, telephone number, email address, profession, banking information, etc. Processing data is particularly understood to be collecting, storing, using, and transmitting data.

If you yourself are not in a direct customer relationship with us, you are receiving this information in your role as a legal representative, entrepreneur, administrator, executive, authorized officer, or named contact person of a legal person. Please give this Privacy Policy to any other authorized parties.

This data protection information applies for the following companies, each as individual controllers:

II. Information about processing personal data

1. Purpose for processing personal data and its legal basis, Art. 13 para. 1 lit. c) GDPR

The purpose for processing your personal data, especially your contact information, is to conclude and execute a contractual relationship, especially a purchase agreement or service agreement. The legal basis for this is Art. 6 para. 1 p. 1 lit. b) GDPR.

We process your data exclusively for the purpose named above and to execute our resulting obligations.

Processing also occurs to fulfill legal obligations in accordance with Art. 6 para. 1 p. 1 lit. c) GDPR, such as statutory retention obligations under commercial law and tax law.

The necessity and scope of data processing are determined by the underlying contractual relationship.

2. Data transmission and recipients or categories of recipients of personal data, Art. 13 para. 1 lit. e) GDPR

Data transmission primarily occurs for purposes of fulfilling the contractual relationship and to fulfill legal obligations. In specific cases, data may be transmitted to other authorized recipients.

The recipient or categories of recipients of your data may be:

service providers, lawyers, tax consultants, auditors, financial or judicial authorities, state agencies or public institutions (as needed and inasmuch as permitted by law).

We do not transmit data to third party countries.

3. Length of time your personal data will be stored, Art. 13 para. 2 lit. a) GDPR

Your data will be stored by us for the duration of the contractual relationship. After the contractual relationship ends, the continued storage of your personal data is restricted. Further use, especially data storage, will only take place for the purposes named in Art. 17 para. 3 and Art. 18 para. 2 GDPR from this point on. The purposes named herein especially include the fulfillment of a legal obligation by us, such as compliance with statutory retention periods or in asserting and exercising legal claims or defending against such claims.

Statutory retention periods determined on the basis of commercial and tax law may be up to 10 years.

Inasmuch as your personal data is no longer needed for the purposes named in this clause, and especially also if statutory retention periods have elapsed, your data will be completely and irreversibly deleted by us.

4. Your rights as a data subject, Art. 13 para. 2 lit. b), c), d) GDPR

As a data subject, the GDPR grants you various rights; we will now provide you with information about them. These include a right to information and an associated obligation to provide information on our part, which we are fulfilling with this notification (Art. 13 GDPR). You also have the right,

- to request information about the personal data concerning you that we store and about to whom this data was transmitted (Art. 15 GDPR),
- to request the correction (Art. 16 GDPR) and deletion of your data (Art. 17 GDPR), whereby the possibility for deletion is determined by the information named in clause 3,
- to request the restriction of processing (Art. 18 GDPR),
- to object against processing, inasmuch as this is based on a legitimate interest pursuant to Art. 6 para. 1 lit. f) GDPR (Art. 21 GDPR),
- to request the transfer of your personal data to you yourself or to a third party in a structured, accessible, and machine-readable format, inasmuch as this is technologically possible (Art. 20 GDPR).

You also have the right to revoke consent you have issued to us or were to issue to us at any time without indicating a reason (Art. 7 para. 3 p. 1 GDPR). However, this does not affect the legality of processing that occurred on the basis of consent up to the time consent was revoked. Please understand that in the event consent is revoked, it is possible that processing could no longer occur and the contractual relationship would have to be ended for this reason.

Finally, you have the right to submit a complaint to our contact person named in clause I. or to Data Protection Officers, as well as to a data protection supervisory authority (Art. 77 GDPR). The data protection supervisory authority responsible for us is: Bayerisches Landesamt für Datenschutzaufsicht, Promenade 27, 91522 Ansbach

5. Obligation to provide data, Art. 13 para. 2 lit. e) GDPR

The provision of your contact information, especially your name and email address, is mandatory. If you do not provide this information to us, we cannot contact you, and a contract cannot be concluded. All other information, such as your telephone number, is voluntary, but makes it easier for us to contact you.

6. Automated decision-making, Art. 13 para. 2 lit. f) GDPR

No automated decision-making pursuant to Art. 22 GDPR, including profiling, will take place in the establishment and execution of a contract.
